PROFILE

Motivated and detail-oriented M.Sc. Computer Science student with a strong foundation in HTML, CSS, Bootstrap, JavaScript, and PHP. Skilled in developing responsive and user-friendly web interfaces with a focus on clean design and usability. Familiar with Git and GitHub for version control and project management. Seeking an entry-level opportunity to apply technical skills, learn new technologies, and contribute to real-world web development projects.

PROJECTS

Personal Portfolio Website

Responsive Developer Portfolio

- Developed a responsive personal portfolio website using HTML, CSS, and JavaScript to showcase skills, projects, education, and contact information.
- Designed a clean and user-friendly interface with responsive layouts for desktop, tablet, and mobile devices.
- Implemented interactive and dynamic features using JavaScript to enhance user experience.
- Used CSS media queries to ensure cross-device compatibility and consistent website performance.
